## COMING SOON

## RETRO AND READY

Ladies, do you long for the days of hats and high heels? When dress-up really looked good? The thrill of finding a gorgeous dress and the perfect accessories? Long no more! At least ONE of those days will return.

Friday, April 1, our Chapter will tentatively celebrate with a Luncheon/High Tea at Myers Park Country Club. Yes, Myers Park CC: the last bastion of the Old South for hundreds of miles around. We will begin at 12:30 p.m.

So, ladies, dust off your dress shoes, your cinch-waist 50s dresses or suits, your pillbox hats, and celebrate yourselves!

# ROBBIE'S BULLETIN BLOG

Welcome to all our new Members and New Life Members!

How terrific of all of you to support Hadassah! Through your support, all those needing medical treatment are receiving it at Hadassah Hospital. None are turned away. New drugs and treatments for all types of disease are worked on each day and shared with the world.

Forests are restored, roads are engineered children and young people are taught trades. Women's' and childrens' rights are lobbied every day in our Congress.

These examples are your dollars at work; this is what YOU are doing!

Please come out and support our programs, as well. Bus tour is February 10, General Meeting and Birthday luncheon is February 18<sup>th</sup>, please come!

A special thank you to our entire Lake Norman Board! These ladies work hard to serve you, to keep our chapter going!

Peace,  
Robbie

## MEMBER SPOTLIGHT

Charlotte Miller was born in Newark, New Jersey, where she raised five children, including triplets.

She volunteered for many years with Jewish Family Service and also headed the Russian Resettlement Committee in Elizabeth, New Jersey.

In 1996, she and her husband, Jerry, moved to Lake Norman to retire beside its quiet waters. After ten years of commuting to the Charlotte Hadassah Chapter (about an hour drive), she held a local parlor meeting, and with ten attendees the Lake Norman Hadassah Chapter was formed.

Charlotte continues to be active in Lake Norman Hadassah and dedicates her time and efforts to nurturing and growing our group as much as possible. Her hobbies include volunteering at the Lake Norman Visitors' Center in Cornelius, knitting, computers, cooking and baking and traveling.

Charlotte's daughter, Liz, lives in Matthews and is involved the Hadassah Chapter of Charlotte. Her other four children, Michael, Robert, Barry and Jodi, live in New Jersey and New York.

Charlotte has five grandchildren.
